

Student Folder Tabs

OVERVIEW	Displays information, if available, such as attributes, success plans, & student files.
INFO	Displays information, if available, such as test scores, demographics, programs, & term status.
SUCCESS PLANS	Shows any plans that have been created for the student (with permission to view with your role).
COURSES	Any student that is enrolled in the current term will have courses populated on this screen.
TRACKING	Displays flags, kudos, todos, and referrals for each student.
MEETINGS	Displays documented appointments or walk-ins for each student.
NOTES	Shows notes, including those added to flags, todos, and appointments.
NETWORK	Shows everyone in the student's success network.
