

University Senate Agenda

December 2023 Meeting

TO: Members of the University Senate

FROM: Sarah Robinson, University Senate Chair, 2023-2024

SUBJECT: November 27, University Senate Meeting

DATE: November 30, 2023

The December 2023 meeting of the University Senate will be held on Thursday, December 7, 2023, from 3:30-5pm via Zoom. Voting members should use the personalized link they were sent to join the webinar as a panelist. Please check your clutter/junk/spam folder if you do not see the invitation in your inbox. A public link for visitors is posted on the Senate website and in the University Letter.

I. Call to Order (Chair Sarah Robinson)

II. Establish Quorum (Secretary Scott Correll)

III. Consent calendar:

1. Review and approve November 2, 2023, meeting minutes (attached)
2. UAC Committee Annual Report (attached)
3. UCC Committee Report (attached)

IV. Business calendar:

1. December Graduates (attached)

V. Announcements:

1. Senate Executive Committee Report (Chair Sarah Robinson)
2. HLC Executive Team Update (Shane Schellpfeffer)
3. Council of College Faculties update (Daphne Pederson)
4. Staff Senate update (Mike Wozniak)
5. Student Government update (Ella Nelson)
6. Updates from the Provost (Eric Link)
7. Question period (max 20 minutes)

VI. Adjourn

Senate University Assessment Committee

Annual Report for Academic Year 2022-2023

The Senate University Assessment Committee (UAC) provides faculty guidance and oversight to the Office of the Vice President of Academic Affairs and Provost in developing and implementing the University Assessment Plan. In addition, the committee analyzes and interprets assessment results, develops appropriate reports, and disseminates assessment results to the Office of Vice President of Academic Affairs and Provost, the University Senate, and the community.

Committee members for the 2022-2023 academic year included:

- Soizik Laguette (JDOSAS), chair
- Frank Bowman (CEM)
- Sherrie Fleshman (A&S)
- Makoto Tsuchiya (SMHS)
- Steven Light (NCoBPA)
- Shanna Urban (CNPD)
- Jenny Samarzja (LAW)
- Karyn Plumm (Essential Studies)
- Joseph Miller (School of Graduate Studies representative)
- Alex Pokornowski (Student Affairs representative)
- Karina Knutson and Amanda Moske (Academic Affairs representatives)
- Tyler Niemi and Faith Wahl (students)

The committee met monthly during the academic year and focused their work on the following projects: updated the University Assessment Committee Charge, update the Review Rubric used by committee members when reviewing submitted assessment reports, and implement a new assessment software submission system.

UAC Charge

The new UAC Charge was approved and distributed to University Senate with the following purpose, functions, and responsibilities:

Purpose: The Senate University Assessment Committee collaborates with the Office of Institutional Effectiveness & Accreditation as champions of the assessment of student learning at UND. This is done by supporting, guiding, and encouraging faculty and staff to utilize good practices, processes, and methodologies for assessment.

Functions and Responsibilities:

1. Serve as an advisory group to the Office of Institutional Effectiveness & Accreditation
2. Serve as the liaison between the college and UAC regarding the assessment of student learning
3. Provide assessment-related expertise and support to college, as needed
4. Review assigned curricular and co-curricular assessment reports, provide feedback and suggestions for improvement, using a shared rubric
5. Identify and facilitate development and training on key issues in assessment practice

6. Review and discuss results of assessments administered by the Office of Institutional Effectiveness & Accreditation

Peer Review Rubric

A working group met monthly to update the Peer Review rubric used by the assessment committee to evaluate the assessment processes of academic and co-curricular programs. Examples from other campuses were referenced. The previous rubric was a rating scale rubric, without specific standards of performance articulated. The new analytic rubric includes standards of performance within each of the rubric criteria. The updated rubric increases transparency for programs on how to conduct good assessments, improves efficiencies for the UAC when reviewing the reports, and better aligns to the Higher Learning Commission's (HLC) criteria for conducting assessment of student learning across the institution.

The new rubric is available on the UAC website (<https://und.edu/academics/provost/assessment-accreditation/assessment-committee.html>) and will be used for reviews during the 23-24 academic year.

New Assessment Software

Based on negative feedback from faculty and staff regarding the previous assessment software, the university transitioned to Watermark's Planning & Self-Study. Three UAC members were identified as the implementation team and met with Watermark weekly to prepare for this transition. The software was launched May 1, 2023. The new software will be used to collect annual programmatic assessment reports and the narratives for the Academic Program Reviews.

Review of Assessment Reports

There were no assessment report reviews assigned for the 2022-2023 academic year, based on the UND HLC reaffirmation timeline, which provided the committee the time to work on the above projects. However, programs were still required to submit their annual assessment reports. Submission rates were 95% for academic programs and certificates and 90% for co-curricular departments for the 2021-2022 academic year.

Other Projects

In addition to the above, three UAC members participated as part of the search committee for the selection of the Director of Institutional Effectiveness and Accreditation, which had been vacant since August 2022. The search was successful, and Shane Schellpfeffer started the position in July 2023.

**University Senate Curriculum Committee Report
December 7, 2023**

I New Course

- EECS 397 : Cooperative Education
- FS 349 : Forensic Photography
- FS 350 : Footwear, Tire Marks, and Toolmarks Evidence Examination
- GEOL 411L : Sedimentology and Stratigraphy Lab
- GEOL 415L : Introduction to Paleontology Lab
- KIN 250 : Varsity Basketball
- KIN 251 : Varsity Cross Country
- KIN 252 : Varsity Football
- KIN 253 : Varsity Golf
- KIN 254 : Varsity Hockey
- KIN 255 : Varsity Tennis
- KIN 256 : Varsity Track and Field
- KIN 257 : Varsity Soccer
- KIN 258 : Varsity Softball
- KIN 259 : Varsity Volleyball
- KIN 261 : Varsity Cheer and Dance

II Course Inactivation

- ART 272 : Digital Foundations
- CSCI 397 : Cooperative Education
- EE 397 : Cooperative Education
- EE 509 : Signal Integrity
- EE 525 : Electromagnetic Fields
- EE 539 : Electromagnetic Compatibility
- EE 540 : Computer Networks Communications
- EE 542 : Network Architectures
- EE 545 : Introduction to Biomedical Engineering
- EE 546 : Biomedical Signal Processing
- EE 547 : Deep Learning Applications in Biomedical Engineering
- EE 550 : Biomedical Instrumentation
- EE 551 : Cryptography Techniques and their VLSI Implementations
- EE 560 : Engineering Computation
- EE 562 : Advanced Linear Programming Modeling
- EE 599 : Doctoral Research in Electrical Engineering
- EE 612 : Spread Spectrum Communications for Cyber Security
- EE 613 : Advanced Cyber Security Principles
- EE 615 : Cyber Forecasting
- EE 616 : Cyber-Physical Energy Systems Security

- EE 617 : Data Operations and Security
- NURS 282 : Health Promotion

III New Program

- T&L-UGCERT : Science of Reading Certificate

IV Program Reactivation

- NURS-PHD :PhD in Nursing

V Program Deactivation

- T&L-BSED : BSED in Indigenous Language Education

Senate Approval is not required for the following report items

VI Program Changes

- CSCI-PHD : PhD in Computer Science
- CSCI-UGMINOR : Minor in Computer Science
- CSCI-UGMINOR : Minor in Cyber Security
- EE-PHD : Ph.D. in Electrical Engineering
- GEOE-MS : MS in Geological Engineering
- GEOL-BSGEOL : BS in Geology
- PSYC-BA : BA/BS with Major in Psychology
- T&L-MED : Master of Education in Reading Education
- T&L-MS : MS in Reading Education

VII Course Changes: Undergraduate

- A&S 497 : Internship
- CSCI 161 : Computer Science II
- CSCI 330 : Systems Programming
- CSCI 363 : User Interface Design
- CSCI 364 : Concurrent and Distributed Programming
- CSCI 370 : Computer Architecture
- CSD 431 : Introduction to Audiology
- ENGL 100 : Individualized Instruction in College Composition
- ENGR 200 : Computer Applications in Engineering
- ENGR 340 : Professional Integrity in Engineering
- ENGR 460 : Engineering Economy
- GEOL 101L : Introduction to Geology Laboratory
- GEOL 411 : Sedimentology and Stratigraphy
- GEOL 415 : Introduction to Paleontology
- HIST 269 : World War II
- HIST 351 : Kings, Witches, Science and War: Europe and the Search for a New Order
- ME 101 : Introduction to Mechanical Engineering

- ME 301 : Materials Science
- ME 313 : Material Properties and Selection
- ME 322 : Design of Machinery
- ME 323 : Machine Component Design
- ME 323L : Machine Component Design Laboratory
- ME 342 : Intermediate Thermodynamics
- ME 417 : Friction, Wear and Lubrication
- ME 418 : Manufacturing Processes
- ME 424 : Systems Dynamics and Control
- ME 425 : Numerical Methods for Engineers Using Advanced MATLAB Programming Techniques
- ME 426 : Mechanical Vibrations
- ME 428 : Advanced Manufacturing Processes
- ME 429 : Introduction to Finite Element Analysis
- ME 439 : Introduction to Robotics
- ME 446 : Gas Turbines
- ME 449 : Internal Combustion Engines
- ME 451 : Heating and Air Conditioning
- ME 474 : Fundamentals of Heat and Mass Transfer
- ME 476 : Intermediate Fluid Mechanics
- ME 477 : Compressible Fluid Flow
- ME 480 : Mechanical Engineering Seminar
- ME 483 : Mechanical Measurements Laboratory
- ME 484 : Ground Vehicle Dynamics
- ME 487 : Engineering Design
- ME 488 : Engineering Design
- ME 489 : Senior Honors Thesis
- ME 490 : Special Laboratory Problems
- PSYC 320 : Professional Development & Ethics
