**Hyslop Athletics Department Conference Room, Hyslop Sports Center**

*Members Present: Gary Schindler, Sue Jenó, Sandra Short, Isabella Mantaro, and Daniella Irle*

*Members Absent: Janna Schill and Ian Collins*

*Athletics Staff Present: Amanda Hajdu*

*Meeting opened: 4:00 pm*

*Agenda included reviewing athletics academic services offered, admission update, review of reports (general data, APR, FGR and GSR, Retention, Undergraduate term GPA, Major clustering, missed class time, AAS general services, SA wellbeing and life skills, professional development for AAS staff, Hawkademy, Mentoring Pilot Program, and SAAC), and Mental Health Services and Efforts.*

*Amanda reviewed reports including: major clustering, GPA comparison, retention rates, Federal Graduation Rates (FGR) and Graduation Success Rates (GSR), missed class time, and APR tracking. No concerns were noted within reports. Only UND volleyball team has a percentage higher than 30% in a specific major (Psychology), however the roster size is small and they are majoring in Bachelor of Arts and Bachelor of Science options. Discussed possibly comparing reports with other conference schools to see where UND athletes are in comparison. UND's 2015-16 single year all sport average for APR was 990 (up from 983). The unofficial average of the 2016-17 single year based on submitted numbers is a 974. Sandra suggested more clear language to differentiate between walk-on and non-walk on data.*

The UCC will provide 15 1-hour sessions regarding stress control throughout the school year. The relationship with UCC continues to grow.*

*Student Athlete Advisory Committee (SAAC) placed 2<sup>nd</sup> in the SAAC Cup behind Weber State. The 2017-18 initiative is "Sexual Violence."*

*No old business or new business were discussed.*

***IAC Subcommittee on Governance and Compliance***

***Hyslop Athletics Conference Room***

***Meeting Minutes: October 16, 2017***

Members present: Gary Schindler (Faculty), Sue Jenó, FAR, Kara Helmig (Athletics Representative), Daniella Irle (SWA); Madison Frain (Coordinator, Compliance)

Members absent: Janna Schill, Chair, Mark Askelson (Faculty), Eric Murphy (Faculty), Ian Collins (Student Rep), Thomasine Heitkamp (Faculty)

Meeting was called to order at 4 pm. Those present at the meeting introduced themselves. Kara Helmig, Associate Athletic Director for Compliance, was introduced as presenter for topics on today's agenda.

Prior to meeting, Danielle Irle provided an overview of letter policies via email. Annual review of lettering policies occurs within the Athletics Department. Each sport has its own criteria that reflects its needs. Policies at UND are consistent with other schools in each school and policies have been consistent from year to year at UND. There have been no changes this year and the document was updated to remove the sports no longer sponsored at UND.

Conference affiliation & Sport Sponsorship update: Daniella updated the committee that Men's golf will continue at least through 1017-2018 season. In June, more information will be available to determine if UND will continue to sponsor the sport. UND will move into the Summit Conference beginning with the 2018-2019. Football will be an independent team for 2 years with a scheduling agreement with the Big Sky and will move into the Missouri Valley Football Conference in 2020.

Kara Helmig provided an update on compliance. She provided a handout and shared information in regards to the educational meetings that are conducted with other support services and departments at UND. The compliance staff has been busy with coach's education, student-athlete education, external and internal education, waivers, monitoring of activity logs, financial aid, camp oversight and violations.

One area that has been attended to as a result of the national issues in the men's basketball arena included interviews with all men's basketball coaches and players to ensure there are no violations. There has also been work completed with education regarding "family advisors". No comments or concerns were noted.

The subcommittee was provided with information on NCAA and UND Initial Eligibility and Continuing Eligibility and the education that is provided for prospective and current student-athletes.

Meeting concluded at 4:50 PM.

Respectfully submitted,

Sue Jenó, FAR

### **3. Fiscal Integrity. Eric Murphy, chair**

Members Present: Eric Murphy, chair, Richard Wise, Lowell Schweigert, Jessica Sobolik, Bella Mantaro, Sue Jenó, Mitch Liebel

Members Absent: Dick Clay, Ian Collins, Gary Schindler, Daniella Irle

Guests: Becky Lucke, Kyle Doberalski, Derick Stoullil

The subcommittee met in the Hyslop Conference Room (120D) on 6 February 2018. The meeting convened at 4:30 pm and we adjourned at 5:40. The agenda consisted of three (3) items:

#### **1). Review and discussion of year end budget (Becky Lucke)**

Athletics balanced budget for FY18 is approximately \$21.9M, with \$6M of institutional support. UND has engaged James Moore Certified Public Accountants and Consultants to compile and file the NCAA Agreed Upon Procedures and the FY17 report was submitted in January of 2018, Engaging this firm will aid in increase consistency required by the NCAA for Division I Athletics.

#### **2). Review and discussion of media contracts (Kyle Doberalski)**

We discussed the Tier I, Tier II, and Tier III media contracts. Questions were raised with regards to changes anticipated in moving to the Summit League. These questions were all addressed. UND received revenue of \$155,000 from NCHC streaming video in

FY17, an increase of \$5,000 from FY16. UND received revenue of \$250,000 in FY17 from Midco Sports Network, an increase of \$25,000 from FY16. FY18 revenue was unrealized at the time of the committee meeting.

Media contracts are considered consistent with upper level mid-major institutions.

### **3). Review and discussion of marketing (Derick Stoull)**

Our discussion was focused on season ticket packages and questions were directed toward mechanisms to enhance season ticket purchases. FY18 there was an increase in the number of season tickets purchased as compared to FY17 for all sports. The most notable percent increase was in women's volleyball. All major sports realized an increase in ticket revenue in FY18. For instance, volleyball had a total ticket revenue of \$14,458 in FY17 and in FY18 this was \$41,270, demonstrating an increase in attendance undoubtedly related to team success.

Overall, attendance is growing as is ticket revenue.

### **4). Additional Questions**

One member raised the question about the UND Alumni Foundation and with the Champions Club with regards to oversight by this body. This was a point of discussion and future meetings will have a presentation by the Champions Club and other integral parts of the Alumni Foundation that aid in funding athletics at UND.

## **4. Equity and Diversity. Thomasine Heitkamp, chair**

**Subcommittee on Equity and Diversity  
Athletics Dept. Conference Room – Hyslop  
Wednesday, April 4<sup>th</sup>, 2018, 4:00pm**

### **MINUTES**

Present: Richard Wise, Bella Montaro, Kara Helmig, Amanda Hajdu, Donna Smith

Amanda Hajdu called meeting to order.

Group began review of Gender Equity and Diversity report (internal athletics department report). Donna Smith and Kara Helmig reviewed definitions of equity analysis in terms of which reports were being analyzed (EADA vs. NCAA Financial Report). Amanda Hajdu then reviewed Title IX and CSA Education provided to student-athletes and staff throughout the year (16-17). She stated an initiative for the current year (17-18) is sexual violence/harassment prevention and education. All teams did a "teal and purple" game for the initiative and a guest speaker (Brenda Tracey) spoke to all student-athletes, as well as other smaller acts/program opportunities for this year – it will be in next year's report.

Kara Helmig and Amanda Hajdu discussed Diversity and Inclusion section of the report. Reviewed the data, charts, etc. which cover student-athlete and staff data/information on diversity. Amanda reviewed academic data in relation to minorities. Amanda also reviewed the programming and educational opportunities promoted to student-athletes and staff throughout the year (16-17).

Donna Smith gave a brief overview of the two OCR complaints filed after discontinued teams last year. One of the complaints was in regards to participation rates – dismissed with no monitoring. The other was in regards to Women's Ice Hockey and fundraising amount – also dismissed.

Richard Wise asked if there are any current significant complaints against head coaches (sexual harassment or medical attention concerns). Donna stated not anything significant in the time she's been here. Kara mentioned an NCAA / Class action lawsuit ongoing now dating back years, but one former student-athlete is involved in that process. Amanda mentioned that each individual student-athlete has opportunity for evaluating coaches, program and support services in department on annual evaluations which would be a good indicate for any of these concerns, as well. Bella Montaro asked about head coaches and

how they see the evaluation information that the individual student-athletes submit on end of season evaluations. This is anonymous information and sport supervisors use the information for head coach evaluations.

Meeting adjourned at 4:35pm

#### Major action items:

Report on Human Resources Final Actions. The report documented a 6.1% reduction in faculty and 8.7% reduction in staff during FY16-FY17, primarily due to voluntary separations and reductions in force. The SBC forwarded recommendations to the Provost and to the University Senate.

Recommendations for support of faculty travel. At the request of the University Senate Executive Committee, the SBC reviewed, discussed, and made recommendations to the SEC regarding the issue of funding methods, processes, and reasonable support for necessary faculty travel for purposes of scholarship/research and professional development. The SBC reviewed Primary Academic Unit travel policies, SSAC and FIDC travel data, a 2015 University Senate study on scholarly travel, Digital Measures data on presentations (a proxy for travel), and FY17 Primary Unit travel expenditures. In March, the SBC developed and forwarded travel policy recommendations to the University Senate and Provost.

**Standing items:**
