RESOURCES FOR SUPPORT AND REPORTING SEXUAL MISCONDUCT

UND’S TITLE IX TEAM IS HERE

We are here to receive, respond to, and address all reports of sexual misconduct and concerns about gender equity that affect members of the UND community.

Our role is to eliminate, prevent, and address prohibited sex-based misconduct, such as sexual assault, sexual harassment, stalking, and domestic or relationship violence. This includes discrimination and violence because of a person’s gender identity or sexual orientation.

We do this by responding to individual incidents, supporting those who have been affected directly or indirectly, and educating community members on how to create a safe and supportive campus that encourages healthy and respectful relationships.

WHAT ARE MY OPTIONS?
