**RESOURCES FOR SUPPORT AND REPORTING SEXUAL MISCONDUCT**

**UND'S TITLE IX TEAM IS HERE**

We are here to receive, respond to, and address all reports of sexual misconduct and concerns about gender equity that affect members of the UND community.

Our role is to **eliminate**, **prevent**, and **address** prohibited sex-based misconduct, such as sexual assault, sexual harassment, stalking, and domestic or relationship violence. This includes discrimination and violence because of a person's gender identity or sexual orientation.

We do this by **responding** to individual incidents, **supporting** those who have been affected directly or indirectly, and **educating** community members on how to create a safe and supportive campus that encourages healthy and respectful relationships.

**WHAT ARE MY OPTIONS?**

You have a number of options, but each individual is different, so we encourage you to consider contacting one or more of the following offices as you gather information and decide what is best for you.
