Parking Services Update

Annual and summer Contractor/Vendor permits are available at Parking Services. Our summer hours are Mon-Fri, 7am to 4:30pm.

Departmental Service Permits (DSV) are expiring June 30. Email parking@und.edu for renewals, funding changes, and or additional permit requests.

Through Aug. 1st Parking Services is allowing A permits to park in the blue S zones around campus.

Habits of Highly Effective People

Steer clear of gossip. Gossiping is viewed as unprofessional, especially when you are talking about other co-workers. Stay away from unnecessary talk with fellow employees, because the boss will notice. Keep all talk work-related and professional.

Janitor of the Year Submission — Joe Laporte

Joe Laporte, Building Services, was recognized by Cintas and Rubbermaid for being nominated for Janitor of the Year!

An excerpt from his Congratulations Letter:

Congratulations on being nominated for the Janitor of the Year! Cintas and Rubbermaid realize the critical role you play in providing a clean and safe environment for teachers, staff and students. We also recognize that you often have to go above and beyond your normal job description to meet the needs of your university. We look forward to this time of year when we can recognize all your hard work.

Congratulations Joe! Thank you for all your hard work, your friendly and positive attitude and everything you do for the Memorial Union, the students and UND. I am proud you are on our team.

Chris Ostlie
Assistant Director Custodial and Landscaping

---

Core Value: Excellent Customer Services
As the summer begins the Campus Energy costs can quickly rise at a time in which there is the least amount of occupancy.

If a light is on and doesn’t need to be, be so kind to shut it off if possible.

If the AC is on and could be reduced, let your supervisor know.

If Energy Waste is occurring in your area, let your supervisor know.

I encourage you to make suggestions of possible opportunities to your supervisor or contact Michael at 72333 or email to Michael.k.nord@und.edu.

Core Value: Excellent Teamwork
UND Laundry has moved and is Open

When Chandler Hall was identified and approved to be demolished a huge decision needed to be made; either the laundry needed to relocate to another building or it would close and UND would need to find an outside company to provide laundry service for UND. After many meetings, looking at many options and with support from Mark Johnson a new space was identified. On May 21st, 2018, laundry moved into its new location in the Transportation building. With the new equipment and the updated technology the laundry will be operating more efficiently and the staff have new equipment to work with. Having air conditioning is a huge plus also. Many people worked on this project to keep it on schedule. We want to thank Mark Johnson for his help and support, Matt Fohr for updating us throughout the entire project and Kendall Klemmer for making sure the right equipment was purchased. Also a huge thanks to Ed Koble and the grounds staff, Tom Eastman and the carpenters, Tim Olson and all other staff that worked on this project.

Chris Ostlie and Mike Dohman

Employee Spotlight: Dale Kadelbach — Landscaping Supervisor

What is your job at Facilities?
I am the Landscaping Supervisor. Our job is to take care of the soft-scape on campus. That includes taking care of all the grass, flowers, perennials, trees, shrubs, and irrigation. We also do snow removal in the winter.

What do you like about working at Facilities?
I like the people I work with every day and the many varieties of jobs we do.

What is the funniest thing you have seen/experienced at work?
Working on Irrigation. When you are looking for irrigation heads and don’t know where they are and then turning on the water and getting sprayed when a head pops up and is spraying right at someone.

Before working here, what was the most unusual or interesting job you’ve ever had?
I have been in landscaping field for 32 years so I will have to go back to high school and say working for Green Giant combining peas for them.

Tell us a little about yourself and/or your family.
Well I have been married to my wife Tracy for 30 years in September. We have 3 girls, Paige 24, Faith 22 and Rachel 17. We live on a farm west of Larimore ND. My oldest daughter is married, my middle daughter goes to UND and my youngest will be a senior in high school this fall.

Tell us something about yourself that would surprise us.
I used to raise beef cattle. I had 25 cows, 2 bulls, and calves. They were Red Angus crosses.

Motto or personal mantra?
Just try to do the best you can at everything you try and learn from your experiences.

What do you like to do in your spare time: hobbies/interests, etc.?
My favorite thing is to go bow hunting for deer. After that it’s watching Fighting Hawks Football, Vikings Football, and the Twins. I enjoy camping with family and friends, and also like to fish.
