Access/Entrance/Exit

B.1 Facility Entrance/Exit Policy

The Wellness Center is a controlled access facility. Only authorized users are allowed entry. The Wellness Center is intended for the use of current UND students and other authorized members of the UND community.

All participants must check into the building at the front desk and must show a proper ID card (UND or Wellness Center ID). Showing proper identification to the Welcome Desk Associate is the only acceptable method of proving your membership status. Members who have forgotten their ID card have an option to pay the day pass guest fee of $5.00. However, if a member has another valid form of ID, they may use the Friendly Reminder program.

The Friendly Reminder program grants access to a member who does not have their membership ID card with them. The program may only be used once per semester per member. After a member has used their free pass via the Friendly Reminder program for the semester, he/she must either pay the day pass fee of $5.00 or not enter the facility.

ID cards are non-transferable and for the exclusive use of the person named on the card. Cards will be confiscated (involved parties subject to disciplinary action) if presented by anyone other than the rightful owner.

Participants must possess, and display upon request, appropriate identification. The Wellness Center reserves the right to request identification at any time. Non-members, suspended members or expired members will not be allowed access to the Wellness Center.

Any misuse of valid IDs and improper entry is subject to disciplinary action including immediate removal and suspension from the Wellness Center and further University discipline. Photocopies of a UND photo ID are not acceptable.

If the photo, name and/or ID number(s) are not visible on a UND card, the card is not considered valid. Your cooperation in presenting proper identification is expected at all times.

Outside guests meeting with Wellness Center Management staff must check in at the Welcome Desk before entering past the controlled access point and also must sign into the Visitor Guest Log.

Entry and exit of the Wellness Center must always be through the designated main entrance and exit. Individuals entering or exiting through non-designated doors are subject to disciplinary action.
