In-text citations:

Thus, conservative supporters of JROTC, at the same time as they circulated “discourses of opportunity,” employed “discourses of control” that stressed the overriding importance of obedience to power. Both discourses can be identified—often in the same sentences and paragraphs—in the statements of political figures (Powell 1995), in media accounts of the program (Quintanilla, 2001) and, according to Bartlett and Lutz, in the JROTC curriculum itself (Bartlett and Lutz 1995).
