Re: #besomebody Event

Whereas, #besomebody aims to personally empower individuals to pursue their goals, passions, and ideals, and,

Whereas, #besomebody is a worldwide, motivational movement and the largest of its kind, and,

Whereas, #besomebody's nationwide tour has named the University of North Dakota as one of its 25 university stops, and,

Whereas, this event represents an opportunity to build campus unity, involvement, and spirit, and,

Whereas, the magnitude of this event represents an amazing marketing opportunity for the UND community moving forward, and,

Whereas, this event will place UND among many other elite educational institutes across the United States, and,

Whereas, this campus-wide opportunity deserves the full support and resources of Student Government and UND community,

Therefore, be it moved that $3000 be allocated from the Student Government General Account for the rental of the Ralph Engelstad Arena along with supplies for the #besomebody Event, and

Therefore, be it further moved that all other sources of funding be expended before using allocations from Student Government, and

Therefore, be it further moved that no funds be allocated until Student Government has received written permission from the #besomebody organization to include the Student Government logo on any and all advertisements, and

Therefore, be it furthest moved that all receipts, as well as an accompanying report justifying all expenditures be submitted to the Student Body Treasurer no later than November 15th, 2013, along with any unspent allocated money.
