Re: Allocation to the Big Event

Whereas, the Big Event serves to foster good will and common goals among students, the University of North Dakota, and the Grand Forks community through community service initiative, and

Whereas, the Big Event is the largest annual single-day student-run community service event in the Grand Forks area with over 1,100 volunteers completing over 100 projects in 2013, and

Whereas, the Big Event promotes positive relations between the University and the community, and

Whereas, UND Student Senate has allocated $5,000 to the Big Event each year since the event’s inception (2005-2013), and

Whereas, the Big Event believes it is important to promote and to educate the community of its purpose and goals

Therefore, be it moved that the Student Senate allocate up to $5,000.00 from the Student Fees account to The Big Event, and

Therefore, be it further moved that all receipts for the above allocation be turned in to the Student Body Treasurer no later than June 1, 2014, and

Therefore, be it furthest moved that any and all unused portions of the allocated amount be returned to the Student Fees account.

Student Body President, Nick Creamer
