Re:  Student Government Polo Shirts

Whereas, the Student Government has a need for business casual attire, and

Whereas, uniform attire with the official University of North Dakota Student Government logo would promote organizational unity at Student Government functions, and

Whereas, Student Government has invested in attire for its members in past years, and

Whereas, these shirts will make it easier for constituents to identify Student Government representatives so that they may be more accessible to those constituents, and

Whereas, the benefit of uniform attire for Student Government outweighs the cost incurred by purchasing them for the reasons stated above

Therefore, be it moved that $1000 be allocated from the unallocated fund in the Student Government General Account to fund 30 polo shirts, 23 for Student Senators and 7 for Executive Team members, and,

Therefore, be it furthest moved that any remaining funds be resubmitted to the Student Body Treasurer no later than November 15, 2013.
