Date: January 26th, 2014

Re: Logic Concert

Whereas, Student Government is committed to bringing a full student experience to all students, and

Whereas, this also includes social and entertainment dimensions, and

Whereas, Hip Hop artists do not usually come to Grand Forks and the UND campus, and

Whereas, a Hip Hop artist would bring musical diversity to campus, and

Whereas, the rapper Logic serves as a role model in the areas of alcohol and drug use as he does not use either, and

Whereas, a free concert to all UND students would help facilitate a better student experience while at the same time sending a positive influence, and

Whereas, a joint concert would also develop a stronger relationship between Student Government and the Association of Residence Halls (ARH) Policy Board, and,

Therefore, be it resolved that $5,000 be allocated to ARH Programming Board from the Student Government General Account for the booking of Logic for a concert in the Spring of 2014, and

Therefore, be it further resolved that all posters advertising the event include Student Government as a sponsor, and

Therefore, be it furthest resolved that all receipts be turned in to the Student Body Treasurer no later than April 30th, 2014.

Student Body President, Nick Creamer
