Re: Statewide Day of Service

Whereas, there is a national movement to celebrate Martin Luther King Jr. Day with a day of service, and

Whereas, this allows students the opportunity to participate in a Statewide Day of Service, and

Whereas, participation in service projects increases students’ connection to their campus and community, and

Whereas, a more connected campus and community has been an ongoing goal of UND Student Government, and

Whereas, the North Dakota Student Association has resolved to sponsor and coordinate this project.

Therefore, be it resolved that UND Student Government supports implementing a Statewide Day of Service and

Therefore, be it further resolved that UND Student Government will work in conjunction with the North Dakota Student Association’s Student Affairs Committee to plan and implement an appropriate service project in January, 2014.

Student Body President, Nick Creamer
