Re: Fourth Annual Monster Patrol 2013

 Whereas, Student Government actively attempts to improve city/university relations, and

 Whereas, Grand Forks deserves a community that supports each other through partnerships such as this one and,

 Whereas, Student Government sees an opportunity to perpetuate these values through Monster Patrol and,

 Whereas, there are a high number of trick-or-treaters during Halloween that would benefit from a safe, adult presence, and

 Whereas, Monster Patrol is a volunteer program that presents students in a positive light and provides a safe presence to youth participating in Halloween activities, and

 Whereas, the city of Grand Forks, including the Mayor’s Office and the Police Department, is co-sponsoring the program, encouraging a cooperative relationship, and

 Whereas, Student Government has allocated $500.00 in the budget for Monster Patrol

 Therefore, be it resolved that the $500.00 from the Student Government budget allocated to Monster Patrol be used to support the efforts of this event, and

 Therefore, be it further moved that any receipts or unused funds be returned to the Student Body Treasurer no later than December 15, 2013.

 Student Body President, Nick Creamer
