Re: Establishment of the Deputy Chief of Staff Executive Position

2 Whereas, the Student Government Executive Branch would benefit by having a subsidiary position reporting to the Chief of Staff, and

4 Whereas, there would be a significant benefit of having an additional Executive position to share the duty of public relations with the Chief of Staff, and

6 Whereas, the Deputy Chief of Staff can also assist in daily clerical duties of the Executive branch.

Therefore, be it moved that the position of Deputy Chief of Staff be created as a member of the Executive branch within Student Government, and

8 Therefore, be it further moved that the Deputy Chief of Staff position be awarded with a Student Government Scholarship of $2,000.00 annually which will be divided as $1,000.00 per fall and spring semesters of the current academic year.

12 Therefore, be it further moved that the Student Senate allocate $2,000.00 from the unallocated portion of the current fiscal year budget to support this new position and scholarship.
