Re: Virtual House Party Reimbursement

Whereas, the Virtual House Party was a successful event that educated hundreds of students on the dangers and consequences of alcohol and drug use, and
Whereas, the Health and Wellness HUB has taken on a significant financial burden for supplies and other materials for the House Party, and
Whereas, the UND Student Senate has allocated funding for educational events sponsored by the Health and Wellness HUB in the past, and
Whereas, this body has a responsibility to support, through financial means or otherwise, events that seek to educate students outside of the traditional classroom setting through community and campus engagement, and
Whereas, the amount requested to lessen the cost burden taken on by Health and Wellness HUB is $900.

Therefore, be it moved that $900 be allocated from the Student Government general account to defray the costs taken on to host this event by the Health and Wellness HUB.
