Whereas, the University of North Dakota and Student Government strives to promote wellness and to facilitate a healthy environment for the campus community, and

Whereas, the cost of living and education has risen over the years, and

Whereas, across the country and here at the University of North Dakota many students are struggling to afford meals, and

Whereas, University of North Dakota works to support all of their students wellbeing through our many services, and

Whereas, through a gift card program or collaboration with a local grocery store, such as; Hugo’s, and

Whereas, different University of North Dakota services, such as; Financial Wellness, One Stop, and the Dean of Student’s Office could identify students who may be in need, and

Whereas, these same services could help distribute gift cards to those students in need

Therefore, be it moved that the University of North Dakota Student Government allocate $5,000 from the General Account for a total of 200 Hugo’s Gift Cards worth $25 a piece

Therefore, be it further moved that the University of North Dakota Student Government entrusts the Dean of Students Office to distribute these gift cards services listed above help distribute these gift cards out to students in need

Therefore, be it furthest moved that Student Government cooperates with the Dean of Student's Office to seek further information into the numbers of cards distributed and a aggregate report on the effectiveness of the program as a whole
