Re: Support for the ArtSee and Alley Alive Event

Whereas, the University of North Dakota Student Senate has continually supported the growth of the Grand Forks community’s vibrancy initiatives, and

Whereas, there is a desire from students for a more vibrant community filled with attractions for both students and other members of the Grand Forks community, and

Whereas, the ArtSee and Alley Alive Event (held on May 6th, 2016) will seek to further fulfill this vibrancy that is desired by students, and

Whereas, Student Government will be supplied with 1,000 food vouchers (that will award them with a free meal) to be given freely to students in order to incentive them to attend this event, and

Whereas, the Student Senate has the opportunity to provide University of North Dakota students with this incentive to attend this event and promote the support and unity that the student population holds with the Grand Forks community, and

Whereas, Student Government and the students of UND will be promoted as sponsors of this event, therefore expressing our support for likened future events to the general public, and

Whereas, Student Government should continually look for way to collaborate with the leaders of our community to actualize a more vibrant Grand Forks for the benefit of the UND students and public abroad, and,

Therefore, be it moved that the University of North Dakota Student Senate supports the ArtSee and Alley Alive Event being held on May 6th, 2016 in Grand Forks, and

Therefore, be it further moved that the Student Senate of the University of North Dakota allocate $14,000 from the Student Government General Account Fund to support the ArtSee and Alley Alive Event, and

Therefore, be it furthest moved that all receipts be submitted to the Student Body Treasurer along with any remaining allocated funds no later than May 15th, 2016.
Student Body President, Matthew Kopp
