Re: Tabling of the April 12th Union Vote

Whereas, Student Government is a body dedicated to advocating on behalf of the students of the University of North Dakota, and

Whereas, this entails being the group that pushes or inhibits major issues on campus, and

Whereas, these issues are all encompassing, and include major student initiatives on campus, such the upcoming Union Vote, and

Whereas, this Union Vote is currently set to take place on April 12th, where students will vote whether to increase student fees to fund such a project, and

Whereas, while more and more information surfaces about what this project means for UND and all associated costs, there still is a lot of unknown information revolving around this issue, and

Whereas, a vote this April on the Memorial Union would likely yield a no vote, potentially hindering any/all future votes;

Therefore, be it moved that UND Student Government tables the Memorial Union Vote until the next school year (2017-2018), and

Therefore, be it further moved that UND Student Government commits itself to education and outreach for the next vote.
