Re: Constituent Outreach

Whereas, representing our student population is our duty, and

Whereas, they can be better served through outreach and connection, and

Whereas, we have the means and ability to create more formalized events to discuss the issues that matter to our constituents, and

Whereas, each senator has the right to dictate how they would like to reach out to their constituents

Therefore, be it moved that UND Student Government allocates $2500 for senators to use to reach out to their constituents, and

Therefore, be it further moved that each senator will be allowed to use $100 dollars from that $2500 to reach out to their constituents, and

Therefore, be it furthest moved that any remaining money unused by the end of the year be returned to its original location.

Brandon Beyer, Student Body President
