III. GUEST SPEAKERS

Matt Eidson, Editor-in-chief of the Dakota Student, approached the senate floor to give an update to the recent changes effective spring 2018. He began by thanking the senate for their support from passed resolutions. Eidson went on to announce that the Dakota Student will now be issuing one paper per week. In the past, the issues were distributed twice a week. The decision was made to
further adapt to the digital age. He stated that students are no longer using hard copy to read news. Instead, the hard copy is complimentary to digital versions. Although the hard copy issues will be reduced, the Dakota Student requests that funds not be. He explained that the same level of work will be given to producing content, despite making a digital shift.

Sen. Peterson inquired if the pickup rate has declined or remained constant since the shift, and if it will continue in the future. In response, Matt Eidson explained the difficulty in tracking the data because copies are free to take. S. Peterson asked if the physical copy will now be longer to supplement the level of output. Eidson stated further that students do not read the physical copies, giving no reason to extend the length. He then noted the level of praise the Dakota Student has received on a national scale. After attending the CMA awards ceremony for college newspapers, UND was recognized for their efforts to move towards digital formatting while maintaining quality content.

Senator Strube questioned why the output is being reduced while funding is to stay consistent. Matt Eidson expressed his understanding with the logic and explained that much of the funding goes towards compensation for staff to produce the same quality of work. In addition to reducing weekly issues, advertising expenses are reduced as well.

Senator Huberty addressed the reallocation of funds to improve the website with the shift to digital content. Matt Eidson informed the senate that two graphic designers have been hired to improve the website, one paid staff and one intern position. Further, the Dakota Student will be opening internships to all majors. In the past, interns were required to be communications majors. Eidson would like to see more diversity in writers from all fields who have a passion to write.

IV. REPORTS

A. Executive Reports

President

(00:11:00) President Bachmeier informed the senate floor that this is the final meeting of the semester. Meetings will resume next semester, January 10th.

Regarding the Higher Education Task Force put in place by Governor Burgum, President Bachmeier noted that the
representative was not able to attend but provided a summary for the Senate resolution.

Next, President Bachmeier informed the senate on the mission statement rewrite status. The first proposal was submitted to President Kennedy who requested that the statement emphasize “leaders in action.”

President Bachmeier updated the senate on the student fee advisory committee (SFAC). During the meetings, the student union vote was discussed as it relates to student fees and the future budgeting decisions.

He then reminded the Senate about the SELFI evaluations as we approach the end of the semester. President Bachmeier will be sending a message to the student body as a reminder to complete the evaluations. If enough evaluations are completed, the results will be transparent to the student body. In theory next year, students will be able to plan out their entire 4-year plan without an advisor, including minors and extracurricular. He wanted to stress that this does not mean students should not be required to meet with their academic advisors every semester, but rather students have a more transparent 4-year plan.

Finally, President Bachmeier addressed the station less bike sharing program that is being developed for Grand Forks. Similar to Uber, the burden of investment and liability will fall under the company, not students. If revenues do not exceed costs, the Bike Share program will cease and move on. Profits are made from the sheer volume of rides. Students may be able to access the bikes using a QR code on their phones through an app, charging their credit card. An automatic locking system will prevent theft and damages.

On behalf of external affairs executive, Hannah Carlson, President Bachmeier informed the senate that she is currently working on the Frosty Bobber Grand Forks UND collaboration. This is an excellent avenue for student engagement in the community. There will be a wide variety of events and activities for all ages, and also potentially a pub crawl.

Vice President

(00:19:53) VP Hanson stated the bike share program has been an ongoing question that essentially boils down to the investment and costs. He then noted the memorial union plan could potentially be a large cost as well. He stressed that if a vote is to occur, the students’ best interest will be kept in mind. Next week, the cabinet of student
leaders will meet to discuss the rebuild as well to receive more student input.

Next, VP Hanson discussed the experiential learning program. Members are meeting with the deans of colleges and career services to better understand what they would like to see from experiential learning. This would give students more options to hold internships in the Grand Forks community.

PCoS Dshaak informed the senate to contact himself, President Bachmeier, or PCoS Dshaak if they will no longer able to serve the spring of 2018.

VP Chief of Staff Absent

Treasurer

C. Johnson presented the student government account statements to the floor. He noted that he is waiting for the university to deliver the student fees on which student government operates.

Secondly, after SFAC meets Friday, C. Johnson will be able to determine the student government budget. From that he will be able to assess if budget numbers will need to be provided from September.

The VPCFO/COO search committee will be meeting next Wednesday to discuss the criterion at which candidates are required to meet.

External Affairs Absent

Project Coordinator Absent

SOFA Chairman Absent

SG Advisor Absent

V. UNFINISHED BUSINESS

A. SB 1718-10 Opioid Overdose Recognition and Treatment

MOTION (00:25:35) Senator Strube moved to bring SB 1718-10 to the floor.

Seconded by Senator Simpron

DISCUSSION Senator Knowlton gave a brief summary of the bill. He stated that he has met with Chief Plummer to develop a plan to implement NARCAN stations on campus, similar to AED support systems. After receiving approval from the ND Risk Manager, UPD will be trained with NARCAN. On the contrary, residence hall staff will not be trained to operate these in the residence halls. The cost for the box in which NARCAN kits are stationed will cost no more than $25. Word was received from the Opioid Resource Project Coordinator for Grand Forks Public Health that an $180,000 grant was received to curb the crisis. They will be donating $2,000 to UND to help the effort. $1,500 of which will go directly towards NARCAN kits themselves, $500 will go towards the boxes that are mounted on walls. GF Public Health will pay for UPD’s training on NARCAN. Because of expiration dates, GF Public Health has vowed to replace the expired kits so long as the funding is sufficient. Tristan Meadows, from students for opioid solutions, plans to create a student organization at UND.

MOTION Senator Peterson moved to amend SB 1718-10

Seconded by Senator Kohns

DISCUSSION (See SB 1718-10)

VOTE MOTION CARRIES (00:32:49)

DISCUSSION Further discussion on SB 1718-10 as amended. Senator Kohns expressed her gratitude for Senator Knowlton’s efforts to curb the opioid crisis in North Dakota.

VOTE MOTION CARRIES SB 1718-10 APPROVED AS AMENDED (00:33:34)
VI. NEW BUSINESS

A. SR 1718-09 Support for Gov. Burgum’s Task Force for Higher Education Governance

President Bachmeier gave a summary for the resolution to support Governor Burgum’s task force. In the resolution, Gov. Burgum has established a 15 member committee to represent the interest of students. Students can apply to serve as a member on the committee. In doing so, the task force would analyze the governance structure of NDUS to determine whether the current structure promotes efficiency. Further, the task force would identify the best practices for governing higher education as they align with the 21st work force.

MOTION

Senator Kohns moved to bring SR 1718-09 to the floor

Seconded by Senator Peterson

DISCUSSION

Senator Wischer commended the efforts to restructure the NDUS governance system as it has not done so in 80 years, but wishes to see first who will be serving on the committee.

Senator Kohns inquired what the election process entails to serve on the committee. VP Hanson explained that applications are sent to a state board member who then assigns committees through the governor office.

President Bachmeier stated his interpretation of resolution is intended to show support for the idea, not necessarily the committee. Once the committee members have been approved is when the student government may act upon showing approval or disapproval.

VP Hanson noted the applications are due Dec. 1st but the first meeting has been preliminarily decided for December 15th.

VOTE

(00:41:30) MOTION CARRIES SR 1718-09 APPROVED.

B. Elections Chairman

William Candia submitted an email to student government in lieu of a formal introduction.

The judicial committee recommended William Candia based off of his determination and past experience during his undergrad as an elections chairman.

MOTION

Senator Strube moved to elect William Candia as elections chairman
DISCUSSION

Senator Strube expressed her support for William Candia based upon his background in student government during his undergrad.

MOTION

Senator Haller moved to suspend the bylaws to hear the amendments without objection

Seconded by Senator Nelson

DISCUSSION

No discussion

VOTE

(00:46:34) MOTION CARRIES BYLAWS SUSPENDED TEMPORARILY

DISCUSSION

Discussion was opened on the amendments to bylaws. Senator Strube inquired whether it’d be wise to not let the motion sit for one week, not allowing for more applications. Further, if the position was advertised properly. President Bachmeier made it clear that the hiring process is unlike a senator’s position, but rather like an executive/administrative position. The job posting is listed online through UND’s hiring portal for two weeks.

VOTE

(00:53:50) MOTION CARRIES BYLAWS AMENDMENTS APPROVED

VII. ANNOUNCEMENT/PUBLIC COMMENT

VP Hanson sent out an email regarding the student leader’s holiday gathering. Dr. Cara Halgren, VP of Student Affairs, emphasized this is solely to invite student leaders and employees to take a break. There is no guest list, nor formal RSVP, encouraging as many students to come as requested.

Dr. Halgren further commended the student government body on its work thus far.
VIII. ADJOURNMENT

Respectfully Submitted,

Erik Hafison
Chair

Re: Opioid Overdose Recognition and Treatment

Whereas, the University of North Dakota strives to support the physical and mental health of students, and

Whereas, there is currently no emergency easy access to Narcan and other overdose preventing medicines for students at the University of North Dakota, and

Whereas, over 30,000 Americans died in 2015 as a result of an opioid overdose, the Nation is in the midst of the largest opioid crisis ever seen, and it might potentially strike the University of North Dakota at any point in time, and

Whereas, students at many universities of different sizes and geographic areas have experienced opioid overdoses and death as a result of an opioid addiction, and

Whereas, addiction is a silent killer and anyone can suffer from a life threatening addiction; and

Whereas, opioid overdose death rates are currently on the rise in the United States, it is imperative that the Student Government at the University of North Dakota act in a way that best represents the health of our student body.

Therefore, be it moved that The Student Government of the University of North Dakota direct the Office of Student Life to train its Resident Hall Assistants and University Police Department Officers in the recognition of an opioid overdose, the administration of Narcan, and equip them with a dosage of Narcan medication for deployment as first aid, and

Therefore, be it moved that Student Government of the University of North Dakota allocates $1,400 to implement opioid overdose recognition training and purchase Narcan kits and wall-mount boxes for emergency access in high-traffic areas across campus (i.e., Memorial Union, dining centers, etc), contingent upon the allocation of $600 from the Association of Residence Halls to support the costs of these efforts for the Resident Hall Assistants in residence hall buildings.

Re: Support for Governor Burgum's Task Force for Higher Education Governance

Whereas, higher education governance is a paramount issue to the University of North Dakota and its students, and

Whereas, a variety of economic, social, and demographic challenges have made all aspects of higher education more difficult to administer, and

Whereas, the University of North Dakota (UND) Student Government is a body dedicated to the students of UND, specifically in the realm of academia, advocating on their behalf, and

Whereas, Governor Doug Burgum has established a Task Force for Higher Education Governance, a 15 member committee dedicated to representing the interests of students, faculty, and business community, and

Whereas, the task force would analyze the governance structure of the North Dakota University System (NDUS), determining whether the current structure promotes efficiency and the desired results for students, and

Whereas, said task force would identify best practices for governance of higher education and align them with North Dakota's 21st Century work force and education needs, and

Whereas, the ultimate goal of higher education is to further students' educational experience, allowing them to be successful in the future, a concept supported by this task force;

Therefore, be it resolved that the UND Student Senate supports Governor Burgum in the creation of the Task Force for Higher Education Governance.

Please accept this email in lieu of a more formal introduction in support of my nomination for the elections chair position.

My name is William Candia and I am currently a 3rd year law school student at the University of North Dakota School of Law. Additionally, I am the Hall Director of Noren Hall, which houses about 300 students. I am also the direct supervisor of nine Resident Assistants in Noren and co-supervise the nine Residents Assistants of Selke Hall. As a student at UND, I am the founder of the Immigration Law Student Association and a member of the Multicultural Law Student Association.

Before UND, I attended New Jersey City University (NJCU), where I graduated with Honors with a double-major in Political Science and Criminal Justice. While at NJCU, I was the Vice-President of Public Information for the Student Government Organization (SGO). Among some of my responsibilities as the VP of Public Information, I was in charge of running the elections for the SGO, organizing events, and presenting work-shops.

Today, besides being a Law School Student and a Hall Director, I enjoy playing soccer and traveling. Before coming to UND, I had visited over twenty countries and lived in three of them. Currently, I am learning how to play the piano and sign language.

Sincerely,

William Candia

Appendix A - Suggested Changes to Article VI

ARTICLE VI APPOINTMENTS

1. Affirmative Action/Equal Opportunity
   1.1. The UND Student Government adheres to a policy of non-discrimination and follows the Equal Opportunity/Affirmative Action Policies of the University.

2. Hiring Process

2.1. Under the discretion of the Student Body President and Vice President, the fulfillment of the organization’s positions shall be appropriated by whatever means are seen fit, in accordance with the nature and spirit of the Student Government Bylaws and Constitution.

   2.1.1. This appropriation shall be treated as a hiring process, with the role of hiring and firing delegated to the Student Body President and Vice President.

   2.1.2 The hiring process shall have an application open to all students and the application shall be open for one week.

   2.1.3 Candidates selected for interview shall be given at least 24 hours of notice prior to their interview.

   2.1.4 A minimum of three candidates shall be interviewed unless there are fewer than three applicants who apply, in which case, all of the candidates are interviewed.

2.2.2. Appointment of all Senators must be approved and ratified by the Judicial Committee of the Student Senate.

2.2.1 If an elected or appointed representative or official finds it necessary to resign from the position that he/she holds prior to the end of office, such a resignation must be submitted in writing to the appropriate committee chair or executive.
