Re: Reallocation of Student Government Reserves Account

Whereas, the University of North Dakota (UND) advocates on behalf of its students, and

Whereas, the UND has numerous bodies who are responsible for said promotion, with UND Student Government being the primary body that accomplishes this, and

Whereas, the UND Student Government needs funds to adequately support its students, and

Whereas, the UND Student Government Reserves Account has sufficient funds to support the UND Student Senate, and

Whereas, the current Student Senate Unallocated Account currently has no funds, due to an effort to reduce the Reserves Account as set out by the FY18 SFAC Process, and

Whereas, these funds are critical for the sound operation of the Student Senate;

Therefore, be it moved that UND Student Government allocates $60,000 from the Student Government Reserves Account to the Student Government Unallocated Account for FY18.
