Re: Funding for UND Food Pantry

Whereas, the University of North Dakota (UND) Student Government focuses on the needs of the students, and

Whereas, the food security and safety for all UND students is of the utmost importance, and

Whereas, SB1516-15 intended to allocate $5,000 to be spent on Hugo's gift cards, providing these cards to students of low income to purchase food, and

Whereas, these funds were not utilized due to lack of a clear implantation plan, and

Whereas, the funds were earmarked for food security and were not used, with these funds residing in the UND Student Government Reserve Account, and

Whereas, food security is still a relevant problem here at UND, and

Whereas, Student Involvement and Parent Programs Department has offered to oversee a food security program, and

Whereas, this program would involve creating a food pantry for students with financial need, providing them with food when they are in need of said resources;

Therefore, be it moved that UND Student Government allocates $5,000 for the food security program from the UND Student Government Reserve Account.
