Re: Funding for Constituent Outreach

Whereas, it is the primary duty of Student Senators to represent his/her constituents, and

2 Whereas, President Bachmeier and other Student Government leaders have set a goal that all senators author at least one Senate bill or resolution, and

4 Whereas, Student Senators can gather ideas for bills or resolutions based on feedback from constituents, and

6 Whereas, it is possible to create more formalized events to discuss issues that are important to their constituents, and

8 Therefore, be it moved that UND Student Government allocates $2,500 for senators to use to reach out to their constituents, and

10 Therefore, be it further moved that each senator will be able to use up to $100 from the $2,500 to reach out to their constituents in however they may see fit,

12 Therefore, be it furthest moved that any remaining monies unused by the end of the 2017-2018 academic year be returned to the Unallocated Fund.
