Re: 24 Hour Library Hours During Finals Week

Whereas, finals week is a very stressful time for many students, and
2 Whereas, demand for accessibility to a place of study is at its highest during finals week, and
3 Whereas, not all students have access to certain department buildings with twenty-four access, and
4 Whereas, the Chester Fritz Library is not currently available to students twenty-four hours a day during finals week, and
5 Whereas, it would be beneficial to many students to have access to a quiet place of study at any point in time during this week, and
6 Whereas, it would also be beneficial to many students to have a place of study that is removed from their main place of living,
7 Therefore, be it moved that the Student Senate supports twenty-four access to the Chester Fritz Library during finals week.
