Re: Student Organization Outreach Program

2 Whereas, it is the primary duty of Student Senators to represent his/her constituents, and

Whereas, President Bachmeier and other Student Government leaders have set a goal that all senators
author at least one Senate bill, and

Whereas, student organizations are one of the most efficient and best methods to gather student
feedback, and

Whereas, Student Senators should gather continued feedback from said student organizations, and

Whereas, the feedback gathered from student organizations should be used as evidence when authoring
bills or resolutions, and

Therefore, be it moved that each Student Senator will be assigned ten (10) different UND student
organizations by the Vice President's Chief of Staff, preferably aligning with their constituency, and

Therefore, be it moved that each Student Senator will contact each assigned student organization and
maintain open lines of communication throughout the entirety of their term.
