Re: Proposed Student Government Budget FY20

Whereas, the University of North Dakota (UND) Student Government is a body whose primary function is to support the students of UND, and

Whereas, this support is multifaceted, including budgetary items, and

Whereas, Student Government Budget must be ratified and approved by Student Senate, in accordance with our Bylaws and Constitution, and

Whereas, this process is critically important, for it allows the Student Senate to debate and discuss the budget for the upcoming year,

Whereas, this debate produces the most responsible budget for the students that attend this university;

Therefore, be it moved that UND Student Government ratifies the proposed FY20 Student Government budget.
