Whereas, the Student Senate of the University of North Dakota supports involvement on campus, and

Whereas, student organizations allow for experiential learning outside of the classroom as well as civic engagement, and

Whereas, the Student Organization Funding Agency (SOFA) provides funding that is relied on by many organizations for expenses such as travel and hosting events, and

Whereas, SOFA has used all allocated funds for its current fiscal year budget and still has funding requests from organizations, and

Whereas, failure to allocate additional monies to SOFA will result in some student organizations being unable to fund travel, events, and other expenses that would otherwise contribute to the experiential learning opportunities previously mentioned,

Whereas, this body has an obligation to adequately fund its standing committees so that they may carry out their intended functions, and

Whereas, additional funding will better expedite the process of student organizations receiving their approved funding.

Therefore, be it moved that the Student Senate of the University of North Dakota allocate $10,000 from the Student Senate Unallocated Fund, to the Student Organization Funding Agency, and

Therefore, be it further moved that any remaining monies unallocated in the Student Organization Funding Agency at the completion of the current fiscal year be returned to the Student Government Investment fund.
