Re: On-Campus Farmers Market

Whereas, the University of North Dakota (UND) puts the wellness of students as a priority and

Whereas, an on-campus farmer's market would provide the opportunity for healthier living, and

Whereas, an on-campus farmer's market would allow the students, faculty and staff to come together in a unique way with the Greater Grand Forks community and

Whereas, this bill would help create new traditions for UND students

Therefore, be it moved that UND Student Government allocates $7,000 for student vouchers for an on-campus farmers market event on September 18 and

Therefore, be it further moved that the voucher amount is $7

Therefore, be it further moved UND Student Government also allocates $1,000 for marketing
