Re: UND Student Government Supports It's On Us Week

Whereas, It’s On Us Week is October 7th-12th, and
Whereas, college students are at increased risk of sexual violence, and
Whereas, UND Student Government works to promote student well-being and thus advocates for sexual and domestic violence prevention, and
Whereas, It's On Us Week provides an opportunity to educate and bring awareness of sexual violence and domestic violence happening on college campuses to the UND student body,
Whereas, It's On Us Week provides an opportunity for us to advocate for victims of sexual violence and domestic violence,
Therefore, be it moved that UND Student Government supports It's On Us Week in meaningful ways.

Erik Hanson, Student Body President
