Re: Supporting Domestic Violence Awareness Month

Whereas, October is national domestic violence awareness month, and
Whereas, college students are at an increased risk of sexual violence, and
Whereas, UND Student Government supports our students’ safety and thus advocates for the awareness of domestic violence prevention, and
Whereas, domestic violence awareness month allows us a time to advocate for the victims of sexual and domestic violence;
Therefore, be it moved that UND Student Government fully supports domestic violence awareness month, and
Therefore, be it further moved that the members of student government support and advocate for domestic violence awareness month in ways they feel are meaningful, and
Therefore, be it furthest moved that the UND Student Government advocates for further support of students who are victims of domestic violence.

Erik Hanson, Student Body President
