Re: Support for Anonymous Accounting Department Donor

Whereas, an anonymous donor recognized the need to support the University of North Dakota through a generous monetary gift, and
Whereas, the donor selected the Accounting department in the College of Business and Public Administration to be the recipient of the gift to support the continuation and growth of their re-established masters of accountancy program, and
Whereas, the donation will be utilized to grow endowment funds to provide graduate students and faculty with the resources to better serve their department.
Whereas, the students of the university recognize the pivotal role that alumni contributions play in supporting the continuing success of this great institution.
Therefore, be it resolved on behalf of the students at the University of North Dakota, the Student Senate supports this gift made to the Accounting Department and
Therefore, be it further resolved that the Student Senate formally thanks and acknowledges this anonymous donor for their generous contribution to accounting students, faculty, and staff.
