Re: Support for HB 2015 Funding State Student Internships

Whereas, UND Student Government fully supports providing students with a comprehensive and well-rounded education, and

Whereas, Student Internships can provide unique and unprecedented experiential learning opportunities, and

Whereas, SB 2015 includes a $250,000 appropriation to be used to fund State Student Internships, and

Whereas, In the 2015 through 2017 Biennium 43 internships were funded by the student internship program, and

Whereas, Money from this program was used to fund internships that spanned across 17 state agencies, and

Whereas, Internships from this program would be available to UND students;

Therefore, be it moved that UND Student Government supports the funding of State student internship program in SB 2015.

Erik Hanson, Student Body President
